**EXPLANATION OF LEGEND ITEMS**  
 Roads Open to Highway Legal Vehicles Only  
 These roads are open only to motor vehicles licensed under state law for operation on all public roads within the state.  
 Roads Open to All Vehicles  
 These roads are open to all motor vehicles, including smaller off-highway vehicles that may be licensed for highway use under state law to operate on or overweigh vehicles under State law.  
 Special Designation  
 These roads are open to all motor vehicles, including both highway legal and off-highway legal vehicles.  
 Seasonal Designation  
 These roads are open to all motor vehicles, including both highway legal and off-highway legal vehicles. The seasonal designation is used to indicate that the road is open to all motor vehicles only during certain portions of the year. Refer to Seasonal and Special Designation Tables for further information.  
 Dispersed Camping  
 This symbol is used along with a designated road to trail to indicate where dispersed camping is permitted. The symbol indicates that dispersed camping is permitted on the road. Refer to the Dispersed Camping Table for further information.  
 Highways, U.S. State, County  
 Other Public Roads  
 These symbols are used to indicate the Forest District road that has jurisdiction over and has not designated for dispersed use. These symbols are used to indicate the boundary between Forest Districts and other public roads.  
 Short Route Identifier  
 This symbol is used for roads that are less than 1/4 mile in length and are not shown on the map. The symbol contains the number of the road and the name of the road. Refer to the Short Route Table for further information.  
 Areas Open to Cross-Country Travel  
 These areas are open to National Forest System land that allow cross-country travel by motorized vehicles. Specific vehicle classes and seasonal designations are indicated in the Seasonal and Special Designation Table.

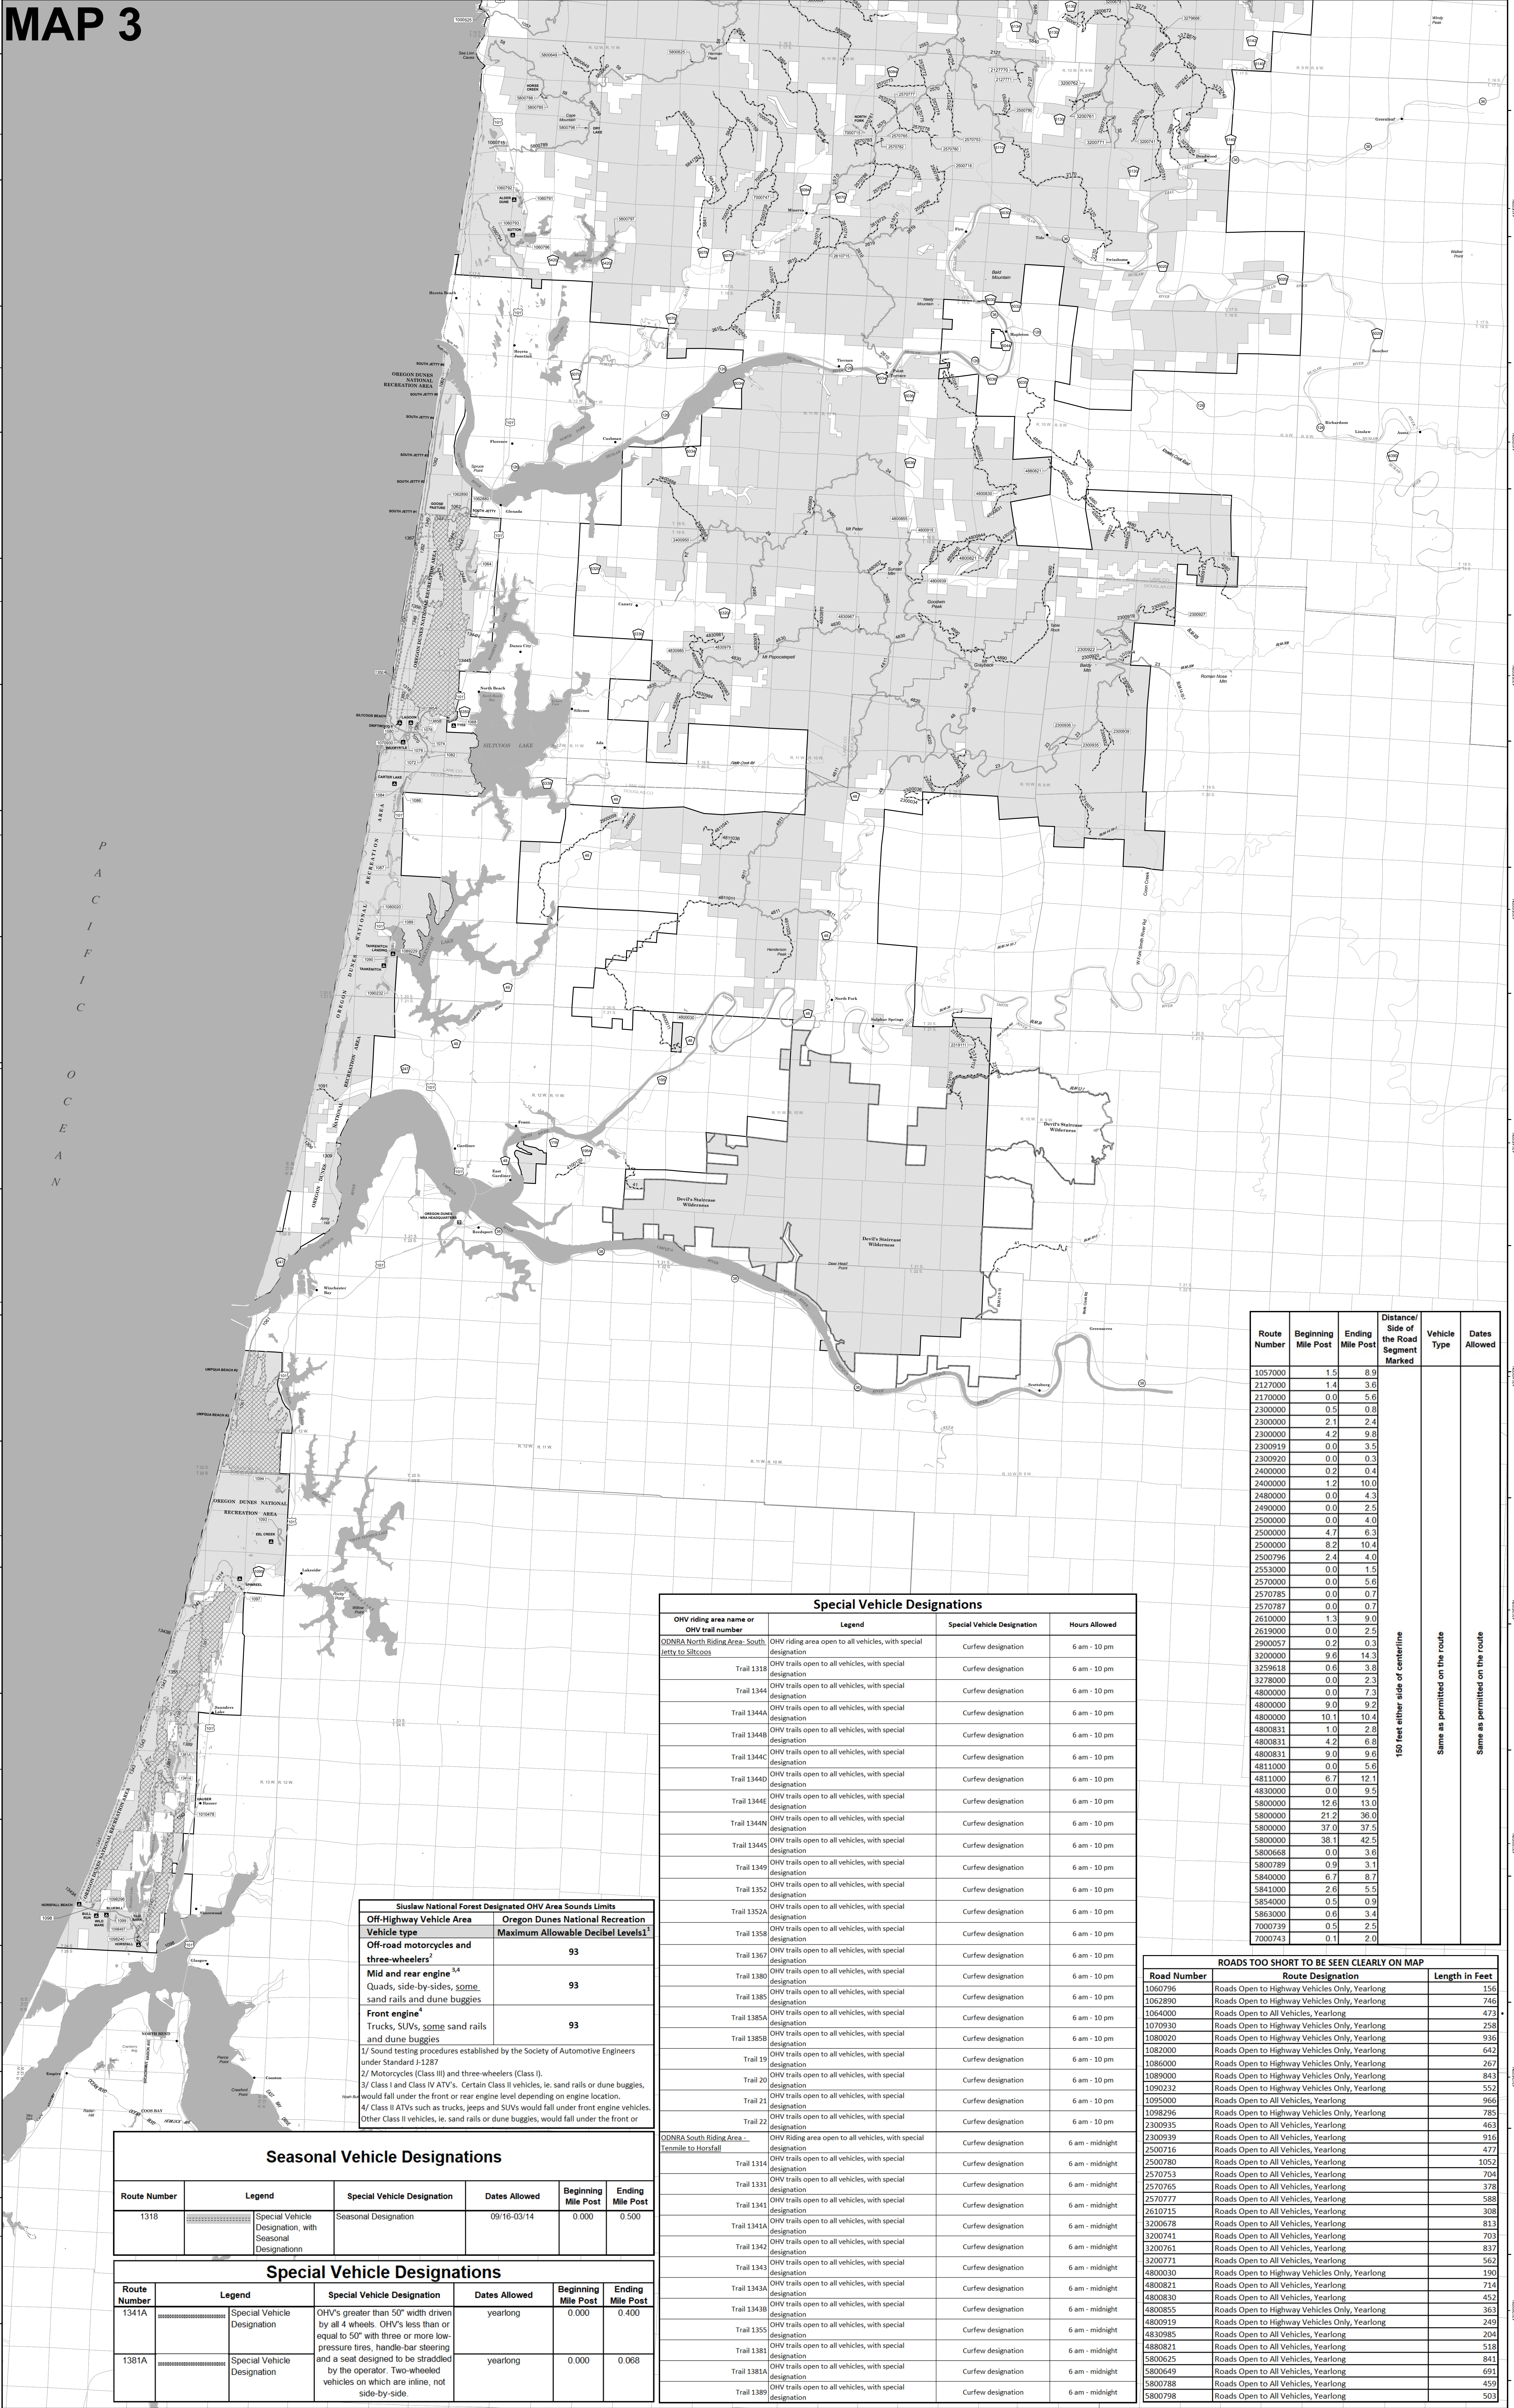

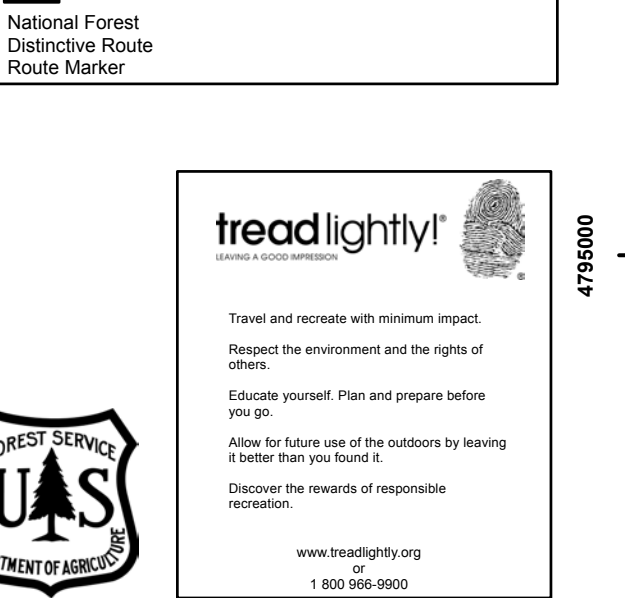

**PURPOSE AND CONTENTS OF THIS MAP**  
 The responsibility of the user to acquire the current MAUM. This MAUM shows the National Forest System lands within the Siuslaw National Forest. The MAUM also identifies the vehicle classes allowed on each road and each area, and any seasonal restrictions that apply on those roads and in those areas.  
 The user vehicle use has identified those roads, trails, and areas designated for the motor vehicle use under 36 CFR 212.13 for the purpose of allowing the user to use the road, trail, or area as a dispersed, actively maintained, or active trail. Motor vehicle designations include points along designated roads and facilities associated with designated roads where it is safe to do so and where not safe to do so. Seasonal weather conditions and natural events may render designated roads and trails unusable for extended periods. Designated areas may contain dispersed or transient camps. Many designated roads and trails may be maintained only by high-clearance vehicles or other off-highway vehicles. Maintenance of designated roads and trails will depend on the availability of resources for maintenance.  
 The user vehicle use has identified those roads, trails, and areas designated for the motor vehicle use under 36 CFR 212.13 for the purpose of allowing the user to use the road, trail, or area as a dispersed, actively maintained, or active trail. This is a limited purpose. The other public roads are shown for information and regulatory purposes only. The user is responsible for determining the appropriate vehicle class and seasonal designations for those roads and trails. Service level management regulation.  
 These designations apply only to National Forest System roads, National Forest System trails, and areas on National Forest System lands.

**PROHIBITIONS**  
 It is prohibited to possess or operate a motor vehicle on National Forest System lands on the Siuslaw National Forest. This prohibition applies regardless of the presence or absence of a sign.  
 The user is responsible for the user's actions on National Forest System lands. The user is responsible for the user's actions on National Forest System lands. The user is responsible for the user's actions on National Forest System lands. The user is responsible for the user's actions on National Forest System lands.  
 The user is responsible for the user's actions on National Forest System lands. The user is responsible for the user's actions on National Forest System lands. The user is responsible for the user's actions on National Forest System lands. The user is responsible for the user's actions on National Forest System lands.

 National Forest System Road Marker

**Vertical Route Markers**  
 Vertical route markers identify roads that are not maintained for travel in motor vehicles. These markers identify the higher level road through the lower level road. The higher level road number is displayed horizontally above the vertical marker.  
 These are all considered higher-level roads.  
**Horizontal Route Markers**  
 Horizontal route markers typically consist of four digits with the first two digits identifying the road number. The second two digits identify the higher level road through the lower level road. The higher level road number is displayed horizontally above the horizontal marker.  
 These are all considered higher-level roads.
